### **DWR Seeks Final Public Comment on Key Draft Groundwater Regulations**

**SACRAMENTO** – Historic legislation enacted by Governor Edmund G. Brown Jr. last year empowers local agencies to bring groundwater basins into sustainable patterns of pumping and recharge. The [Department of Water Resources](#) (DWR) will hold three public meetings this week to solicit final public review and comment on the [draft regulations](#) that establish a process for local agencies to follow should they seek to modify the boundaries of a groundwater basin. The public comment period began July 17, 2015, and continues through September 4, 2015.

The schedule of meetings is as follows:

Monday, August 31, 2015  
CA Environmental Protection Agency Headquarters  
Byron Sher Auditorium  
1001 I Street  
Sacramento, California 95812  
10:00 a.m. to 12:00 p.m.
